COMMENTS FROM THE TOWN MANAGER'S OFFICE

The first of two 60 ton carloads of salt arrived last week. The second car will be delivered early in January. About two thirds of the first carload will be used in stockpiling sand.

The total cost of the Town Road Improvement project on the Grover Hill Road, exclusive of surface treatment, amounted to \$6,840.37. The State will reimburse the Town on all except \$57.79 which is being charged to the Roads & Bridges account. Eight-tenths of a mile was completed which is by far the most difficult section of the entire road. A penetration coat of asphalt has been applied. Next year a much job will provide a good wearing surface.

Roland (Oscar) Annis, Jr., who has been foreman of the Highway Department for over one and one-half years has submitted his resignation effective October 8th. He is leaving the employ of the town to be employed by the State Highway Department in this area. Robert Davis who has had ten years experience in the Town Highway Department is being promoted to foreman.

A petition was presented to the Selectmen on Apr. 11, 1960, relative to extending the sewer line on Paradise Hill from the intersection of Eden Lane through to the residence of James Cobb. Recently an engineer was consulted to determine if adding more houses would overload the existing line, which connects to Broad Street, thence Church Street, through Park St. to Mill Brook. After providing the engineer with the necessary information it was his opinion that additional connections would not overload the line. The Selectmen have voted to place an article in the annual town meeting warrant for considering the Paradise St. sewer extension.

Sincerely,
Harold L. Bean

LOCAL RESIDENTS HURT IN VERMONT CRASH

Mrs. S. H. Browne and Mrs. G. L. Kneeland were released from a Montpelier, Vt., hospital Saturday afternoon, where they were taken after an automobile accident near Montpelier late Friday night. Mrs. Browne, who suffered severe shock and injuries, is staying with her daughter, Mrs. Barbara Emmons, at Burlington, Vt. Mrs. Kneeland returned to her home here Saturday. Others in the car, Dr. G. L. Kneeland, daughter Debbie, and Mrs. Fenton Robertson, escaped serious injury.

The accident occurred on Route 2 when the car skidded and struck a guardrail and two trees. The car was reported demolished.

Bertram Dunn of Cape Elizabeth is visiting his sister and husband, Mr. and Mrs. Ann Bartlett.

Sam T. Smith, Bridge St., Bethel, returned to his home last Friday, Sept. 30th, after nearly nine months hospitalization in naval hospitals at Chelsea, Mass., and Philadelphia, Pa. The last three months were spent at the Naval Hospital at Philadelphia for preparation and wear of a new artificial right limb replacing the one amputated as a result of an automobile accident the first part of last January. Mr. Smith reports health perfectly restored and all other injuries incurred in the accident fully cured.

Rumford Hospital Fair To Be Held October 20

The 24th annual country fair organized by the Ladies Auxiliary of the Rumford Community Hospital will be held at the Rumford armory on Thursday, October 20th. It has been announced by Mrs. June Taylor who is general chairman for the 1960 fair activities.

From small beginnings the hospital fair in Rumford has grown to be one of the largest in the communities of northern Oxford County. The first fair was organized in 1936 and realized \$600. During the past few years the fair has earned an average of \$15,000 per year. All funds earned are used by the ladies auxiliary to supply needed equipment at the community hospital and for needed repairs and decorating.

In 1959 the fair earned \$15,005.80. Of this amount, \$14,859.00 was appropriated to pay the following expenses: Linen supplies plus three new sewing machines, \$4,000; redecorating program plus new furniture, \$4,000; Microfilming equipment with viewer to relieve storage problem caused by 10 years of records, \$2,500; fund to replace old major equipment, \$1,000; fund for redecorating new addition, \$2,000; nurses scholarship fund, \$950; and new anesthesia equipment, \$400.

The theme for this year's fair is "Trotting Time." It is based on the horse racing events that are popular at country fairs throughout the state.

Booths to be presented at the fair are: The Home Stretch by Andover; The Harness Shop by Bethel; The Winner Circle by the flower booth; The Granary by the food booth; The Track Room by the novelty booth; The Track by the nurses' booth; Win Place and Show by Hanover; The Starting Gate by the check room ladies; The Box Stall by the gem and handwringing booth; Boots and Saddle Gift Shop by Mexico; Grand Champion by Dixfield; The Blue Ribbon by Canton; The Stables by the attic treasures booth; The Watering Trough by the parti-pak booth; Running Spoked by West Peru; The Feed Bag by the refreshment booth; The Crib by Virginia; The Club House by the games booth; plus the Wagon Wheel and Children's Grabs.

DAVIS - BROWN ENGAGEMENT

Mr. and Mrs. Wilbur Davis of West Bethel are announcing the engagement of their daughter, Nancy Ellen, to Roland Blaine Brown, son of Mr. and Mrs. William M. Brown of South Portland.

BETHUEL CHAMBER OF COMMERCE MEETS

The speaker at the regular meeting of the Bethel Chamber of Commerce Tuesday evening was George Nilson, Field Director of Bingham Associates. He named the men, and the events in their lives, which started before the turn of the century and led up to the coming of Mr. Bingham to Bethel. He explained that Mr. Bingham came to Bethel from Cleveland, Ohio, and that his family had nothing to do with the Bingham name and family which appeared in early records having to do with the ownership of large areas of forest land located in Maine before it became a state.

Mr. Nilson described the early interest of Mr. Bingham in the education of medical students, the improvement of the status of rural doctors and the care of people requiring medical attention. One of the first steps sponsored by Mr. Bingham was in connection with the Rumford Community Hospital and close cooperation between this Hospital and the Pratt Clinic in Boston. This cooperative plan was later changed to make the CMG Hospital in Lewiston the referral point. Now cooperative effort includes local hospitals CMG in Lewiston and EMG in Bangor, and the New England Medical Center in Boston.

It is understood that the Bingham Associates Fund is now being administered primarily for the improvement of medical care, education, and cooperation among agencies and individuals in the end that rural areas may benefit from the knowledge and skills developed in important medical centers.

LEROY BARKER ELECTED SELECTMAN, ASSESSOR

At the special election held last Thursday, LeRoy Barker was elected to fill the unexpired term of the late John H. Carter as selectman and assessor. Totals are reported as follows: LeRoy Barker, 212; Harold Carver, 39; Richard Thompson, 28.

SALVATION ARMY HOLDS RESIDENTIAL CANVASS

A house-to-house canvass of Bethel for the The Salvation Army will be started Friday and continue a week.

Volunteer workers will call on residents in an all-out effort to raise funds for such regional agencies as summer camps for deserving youngsters, clubs for servicemen and women, rehabilitation centers and the famed Emergency Disaster Services.

Twenty percent of money contributed is disbursed by the Bethel Service Unit for "on the spot" aid of local residents without red tape.

Anyone wishing to serve as a worker should contact the Residential Chairman, Mrs. Louisa Lincoln.

Anyone not at home during the solicitation period may contribute directly to the treasurer, Mrs. Betty Anderson. Checks should be made payable to The Salvation Army.

Ventura, Calif., Ventura County News—Every election year at this time the "get out the vote" campaigns surge into high gear. But something needs to be added to the command, "Vote!" It is this: "Know who and what you're voting for." To vote in ignorance is as bad as not voting at all. Do the respective candidates favor bigger government or more limited government? Would their policies lead to more or less government spending? Learn the answers to these and other questions. Then vote for the people you believe are right.

STACKING BEANS

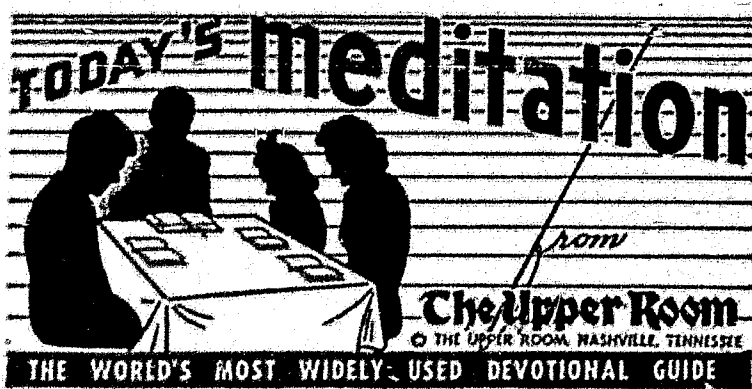

After a black frost, a lad was likely to hear at Saturday breakfast on a sunny, crisp morning, "Son, better stack the beans today." A generation ago, farmers were proud of their red kidneys, yellow eyes, and northern pea beans. A countryman wanted baked beans for Saturday supper and for Sunday breakfast baked with his home-raised, lean salt pork and sweetened with his own maple syrup.

Stacking beans wasn't particularly hard work, but it was monotonous. Each stack had a pole with stubby branches to hold the beans in place. After

a lad cut the poles and trimmed the branches to about a foot in length, he set the poles in holes made with a crowbar. Around each pole he placed old boards to protect the bottom layer of beans.

Handful by handful, the frost-bitten, leathery plants with dried pods were pulled. Soil was knocked off against an overalled leg; the plants were jammed roots first among the pole's stubs. Each stack was built with the roots higher than the leaves and pods to shed rain.

Hour by hour the boy worked along. Naturally, on a Saturday a young citizen had to go

Read John 10:11-18

That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us. (John 17:21).

On a Y. M. C. A. building I once saw the inscription of John 17:21: "That they all may be one." Through its attitude and what it does, the Y. M. C. A. seeks to give meaning to universal brotherhood in Jesus Christ.

Our unity is in Christ, our Shepherd. The fold is one, although there is a diversity of sheep. The pasture which nourishes these sheep is the Word of God.

To belong to one single flock and to follow one Shepherd is to conquer geography and enlist individual differences. It is the creating of a Christian brotherhood through our oneness in Christ.

Christian brotherhood transcends all barriers. It does not know groups, races, levels of society, nationalities, or denominations. In the diversity of ideas, traditions, and experiences, love bridges the differences and develops united participation and brotherhood.

PRAYER: Our Father, through the inspiration of Thy spirit, we pray for the reality of Christ's love in our lives. We pray there may be no contradiction between our saying and our doing. Show us the Shepherd, Jesus Christ, in whom and through whom, in the unity of faith, we join our hearts in prayer. Amen.

Though for the Day We love one another because God first loved us.

YOUTH FELLOWSHIP

After the meeting was called to order and business got underway, we talked about the dance put on by the MYF for the 7th and 8th grades this coming Friday, Oct. 7. It will be from 7 to 9:30 p. m. There will be refreshments sold; so bring your money. We hope to see all you 7th and 8th graders there at the dance because we know how bored you will get with no school for two days.

The business meeting was quite short this week, so we got underway with the discussion. The discussion this week was led by Nancy and Linda Brown; it concerned juvenile delinquency. The discussion this coming Sunday, Oct. 9, will be led by Doug Bane and Donnie Young; it has to do with getting along with parents.

For you teen-agers, fourteen and over, who would like to join the MYF, it's held on Sunday evenings from 6:30 to 7:30 P. M., and you need no invitation to come. You're welcome to come to any of our meetings.

After a hearty discussion the meeting was adjourned. Respectfully submitted, Steve Dock.

frequently to the kitchen for a drink—and to see how mother was coming along with Saturday baking. It took considerable nourishment to keep a boy going on a Saturday forenoon.

Hour by hour, the stacks increased in number and when day was done one could feel satisfaction in his job. After a few weeks in the fall air, the stacks were hauled to the barn to wait for stalling when work was not so pressing. Beans are not stacked by hand today except in rare cases, but there are men who look out city windows these fall days and remember one of their fall jobs in years gone by.

SCHOOL NEWS

As part of their citizenship studies in civics, Mr. Heino's 8th grade class will make a field trip next week to visit the Superior Court at South Paris. The purpose of the visit is to allow pupils to become better acquainted with the purpose and procedure of courts in Maine's judicial system.

A member of the State Police Safety Patrol was a guest speaker at Crescent Park School last Monday. The patrolman stressed the importance of walking on the left side of the road facing traffic and the value of school safety patrols. He also advised safety patrol members on methods to make their work more effective.

The Bethel school band has resumed practice with sixteen new members who are learning to play instruments for the first time. This year the band faces the problem of having to do without a sousaphone which in the past has been borrowed from Gould but is no longer available. The sousaphone, according to Mrs. Eypper, band

FRIDAY! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14½ higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

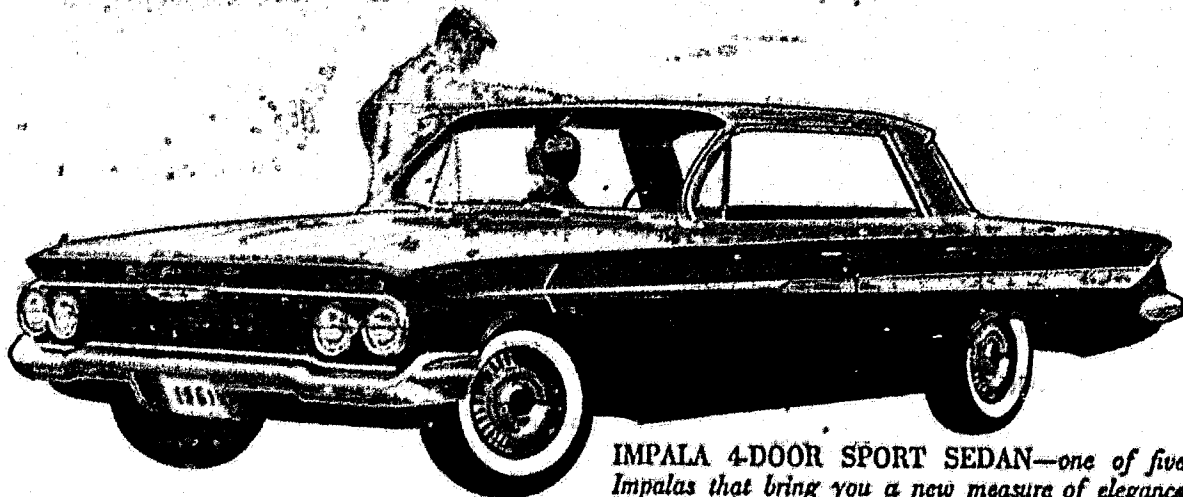

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10½ inches lower.

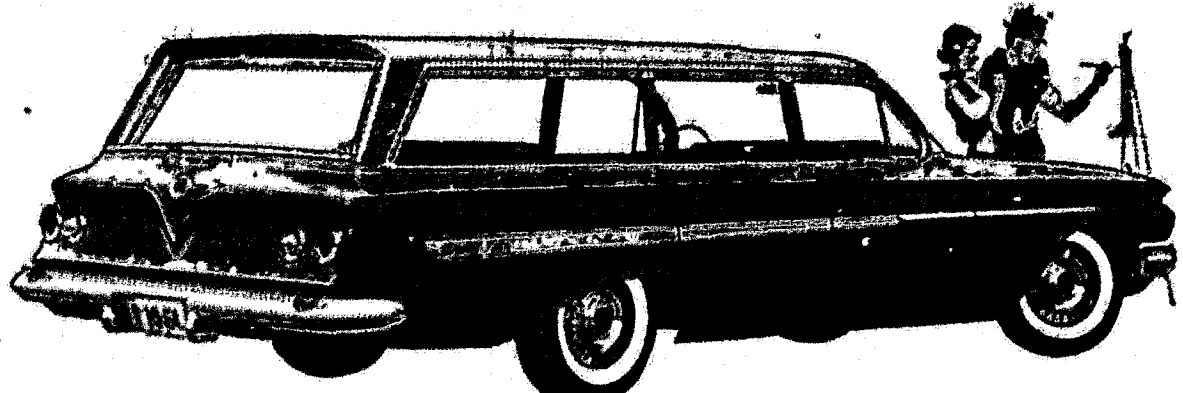

INTRODUCING THE '61 CHEVY BISCAYNE 6

the lowest priced full-sized Chevy with big-car comfort at small-car prices!

Chevy's new '61 Biscayne—6 or V8—give you a full measure of Chevrolet quality, roominess and proved performance—yet they're priced down with many cars that give you a lot less! Now you can have economy and comfort, too!

IMPALA 4-DOOR SPORT SEDAN—one of five Impalas that bring you a new measure of elegance from the most elegant Chevrolets of all.

NOMAD 9-PASSENGER STATION WAGON. You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.

BEL AIR 2-DOOR SEDAN, like all '61 Chevrolets, brings you Body by Fisher newness—more front seat leg room.

SHOW ON WORTH!

NEW '61 CHEVY CORVAIR

More space . . .
more spunk
and wagons, too!

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its body by Fisher.

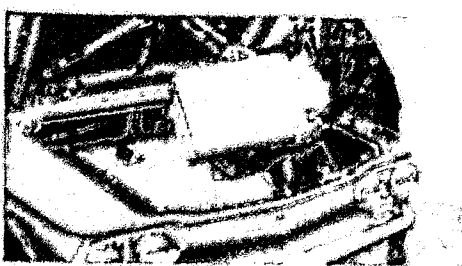

Here's the new Chevy Corvair for '61 with a complete line of complete thrifty cars.

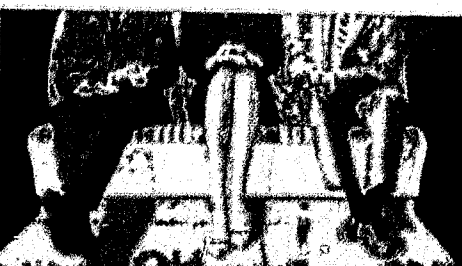

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have almost 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty; thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost).

GOULD ACADEMY

Gould Cross Country Team Makes Perfect Score

The Gould Thincalads easily defeated Fryeburg Academy in the opening race of the season as the local runners placed seven men ahead of Fryeburg's leader. Fred Judkins was the winner in 14 min., 5.4 seconds, just inches ahead of Ed Tibbets. The course record over the 2.6 mile run is still held by a Fryeburg man, Ray Payne, who finished in 12:50.

Gould 41—Bridgton 0

In the first period Gould marched 68 yards after receiving the opening kick-off. Don Rice, with runs of 11, 9, and 10 yards along with a 15 yard penalty on Bridgton, helped set the first T. D. up. Owen Melville scored from 6 yards out and Don Rice rushed the extra point to give Gould a 7 to 0 lead in the first period.

Gould had held Bridgton on downs on the BHS 43 yard line, and from there a steady march allowed them to score early in the second period. The march was featured by runs of 14 yards by Les Scattergood, 8 yards by Melville, and 16 yards by Steve Parent. Don Rice scored from the 1 yard line and the pass for the extra point failed.

Gould's third T. D. was a 75 yard march in which passes by Scott Cummings to Melville for 29 yards and to Scattergood for 14 yards helped pave the way. Cummings ran 2 yards to score and he passed to Scattergood for a successful point after. Gould led 20 to 0 at half-time.

Early in the third period Bridgton attempted to punt from their 8 yard line but Jim Weston blocked the kick with the ball rolling through the end zone. This gave Gould a safety for 2 more points. Bridgton kicked off from their 20 yard line after the safety and Larry Smith carried it to the BHS 44 yard line. In four plays the Huskies scored again. Ken Bennett raced 23 yards on the second play and on the fourth play romped around the end for 14 yards to paydirt. Larry

Smith rushed the extra point. In the final quarter Jim Moody intercepted a Bridgton pass on his own 45 yard line and raced 55 yards to score. The rush for extra point failed. The final score came as Scott Cummings carried around his own right end for another 14 yard TD run. The pass for the extra point failed, leaving the final score 41 to 0.

Girls' Sports

In the Varsity Hockey game, Gould defeated Kents Hill 5-1. Kents Hill scored their only goal during the first five minutes of the game. Betty Vinton and Freda Gammon played outstandingly in the backfield positions and Ann Ordway, Jane Carver and Carol Bilderback covered their forwards so that Kents Hill rarely got the ball up the field. Lorenda Freeman and Beth Brown led the attack for Gould with the support of Mary Willard, Ann Ordway and Margie Dallingier in the forward line. Lorenda Freeman led the scoring with three goals, and Beth Brown contributed the other two. Sue Hutchinson, playing goalie, made some remarkable saves for Gould and deserves credit for holding Kents Hill to one goal.

The JV game was not as successful for Gould. Kents Hill scored two goals during the first half. The GA girls got down to business after that, but were unable to score. Kents Hill also remained scoreless after the first half, thus winning the game, 2-0.

Archery Tournament — Junior Columbia Round: Each girl participating shot 24 arrows from 20, 30, and 40 yards, respectively. Final team scores were Gould 1779; Kents Hill 1584. A sharp wind blew during most of the tournament, hampering both teams.

Tennis Matches (3 singles and 4 doubles): A cold wind blew down on the tennis players, leaving Gould on the losing side, with Kents Hill winning the matches 5-2. Hilda Andrews won her singles match for Gould and Nancy Cole and

Sharon Cole won their doubles.

When the Girls' sports events were over at noon, students, parents and other guests and faculty, were served a delicious chicken barbecue dinner. Seven hundred and thirty-one people were fed, being served very quickly and efficiently from three very busy serving stations.

After the football game, a Parents' Tea was held in the William Bingham Gymnasium from 4:00 to 5:00 p. m. This gave an opportunity for parents of Gould students to meet and talk with the faculty at Gould Academy. Refreshments were served.

While the Parents' Tea was taking place, cider and doughnuts were being served to Gould students who went to Holden Hall at the close of the football game for dancing and refreshments.

The evening program began

at 8:00, lasting until 9:00 p. m. The program was as follows: Varsity Glee Club directed by James Owen; General singing led by Clifford Hillier and David Thompson; Gary Hill, "Bert and I"; Louise Kennedy, accordion solo; Jim Weston and Father, team of Chinese magicians; German Band, Carol Flint, Mary Jo Head, Dick Jacobs, Jim Bennett and Dwight Lord; Panel Show, To Tell the Truth—Linda Paine, Philip Burns, Jane Luxton, and Stephen Bean, Sally Burns was moderator and the guest stars were: Albert P. Davis (father of Peg Davis); Arthur J. Hendrick (father of Shirley Hendrick); and Newell C. Ordway (father of Ann Ordway).
